Part-Time Conservation Technician

The Mountain Soil and Water Conservation is accepting applications for the position of Conservation Technician. This part-time employment position will have the primary role of supporting and assisting senior staff with the implementation of the Virginia Agricultural Cost Share Program. The successful candidate will work closely with other staff members to carry out program deliverables in support of the Commonwealth's Chesapeake Bay restoration goals. Service area includes Alleghany, Bath, Highland, and the City of Covington.

Experience and/or education in agriculture, natural resources and/or environmental science preferred. Successful candidate must possess excellent communication skills, proficient computer use, be well organized and self-motivated. Candidate must have a valid driver's license and reliable transportation.

Salary will commensurate with experience and qualification.

To Apply: Due Date February 14, 2025. Please complete VA State application <https://dls.virginia.gov/stateapp.docx>, resume, and cover letter to Mountain SWCD, P.O. Box 310, Warm Springs, 24484. For more information contact Lorie Baldwin, Office Administrator, at (540) 839-4616 or by email at mwcdlorie@tds.net.

Mountain SWCD employment opportunities, programs, and services are offered to all on a nondiscriminatory basis regardless of race, color, religion, sex, parental status, national origin, age, disability, genetic information, political affiliation, or veteran's status.
